I; Pawan Chaudhary passed my Diploma in Tool & Die Making from Indo German Tool Room-Ahmedabad in 2014 and got my placement in L&T-Electrical and Automation where I have worked for 2 years. My education and experience help me to understand various machining process and tools to be used.

With a long-term vision to start my own set up, In 2014, I have joined “Tungaloy” as a Distributor Sales Engineer and built up my marketing and networking skills.

In 2018, I have resigned from company and decided to pursue my dream to become entrepreneur and start my setup named “Prime Solutions”.

“Prime Solutions” was established in the year 2018 and since then it has been the leading distributors of Machining solutions in Gujarat. Guiding principle behind Prime’s success is the commitment to supply the world’s Excellent Machining Solutions in the Prime Customers. Prime Solutions is an authorized distributor of Tungaloy. At Prime Solutions our aim is to achieve cost effectiveness, lesser delivery time and quick response for our customers. By providing our customers quality Machining solutions, we help them increase their productivity and in turn increase their profitability. In the last decade, Prime has developed a strong reputation for customer service and is renowned for having long and fruitful relationships with its customers.
